

Microsoft Word 2013

Course Syllabus and Parent Lesson Planner

Course Orientation:

Description:

In this course there are 9 modules that cover everything from basic navigation to creating forms.

- Module 1 covers some simple shortcuts and basic navigation of the course.
- Module 2 covers simple formatting of your document and more advanced shortcuts.
- Module 3 covers formatting paragraphs and also shows you how to properly use the Spelling/Grammar Checker.
- Module 4 shows you how to properly work with Styles and Themes.
- Module 5 shows you how to properly work with Lists.
- Module 6 shows you how to properly work with Tables
- Module 7 shows you how to properly work with and use Graphic Displays
- Module 8 shows you how to properly work with and use Bibliographies and Indexes
- Module 9 shows you how to create and use forms in Word 2013

This course, upon completion, will give you the skills necessary to be proficient in Microsoft Word for all college/work purposes.

Course Length:

As an elective course, we recommend one or two modules / week. Therefore, we feel that this course should take approximately 6 weeks to complete all modules/quizzes, and leave time to study, and take, the final exam. (See Lesson Plan below)

Course Pre-Requisites (if applicable):

This course does not require any pre-requisites.

Course Requirements:

Computer/tablet/smart phone – Students must have access to a computer/tablet/smart phone with internet access and an internet browser. Simply STEM has been successfully tested using Internet

Explorer, Firefox, Chrome, and Safari. In addition, we have tested many versions of smart phone/tablet browsers as well.

Course Requirements (continued):

Internet Access – Although results may vary, based on connection type and speeds, we have tested our online videos on DSL, Satellite, Cable, and cellular connections. Our courses cannot be download and require internet access to view them.

COURSE SOFTWARE REQUIREMENTS:

Microsoft Software: Please visit the Microsoft store where you can view the different Microsoft Office purchase options available.

http://www.microsoftstore.com/store/msusa/en_US/cat/All-Office/categoryID.69403900?icid=en_US_Store_UH_software_Office

We recommend the Office 365 Personal edition, as it's the least expensive option and you receive all of the Microsoft software covered by Simply STEM (including Microsoft Access).

Adobe Software:

Adobe offers special pricing for students/teachers. Please visit this link for info on their pricing:

<https://creative.adobe.com/plans?plan=edu&promoid=KTROQ>

TechSmith (Camtasia):

http://shop.techsmith.com/store/techsm/en_US/cat/categoryID.67158100

Course Grading:

Simply STEM requires all students to pass a quiz following each module with a score of 80% or higher. The student can retake the module if they aren't able to complete the quiz with a passing score. Typically, module quizzes will be 10 questions long. There is a final exam at the end of each course, which is a compilation of all the module quiz questions. The amount of questions for final exams vary. Students are required to pass the final exam with a passing score of 70% to complete the course. Grades can be viewed by viewing the completed courses in the Course Library or by viewing courses still being taken from the dashboard 'In Progress' tab.

Detailed student transcripts and course reports can be provided to you by simply requesting them from our Simply STEM support team at studentsupport@techknowcoa.com

Please find a list of acceptable file upload types below. If your course requires a different file type or your files will exceed the 250 MB limit, please contact us and we will assist you in setting up a Google Drive folder for project file uploads.
