Testimonials and Review of Westminster Affordable Snowblower and Snow Thrower Experts...

So happy with the service I received from Ronnie - he came to my house and tuned up my snow blower in my driveway so I didn't have to worry about transporting it. He worked quickly and efficiently and trouble shot a problem which prevented it from starting. He fixed it and now it's ready to go for the season with a 90 day warranty for his work! Thanks so much! Highly recommend!
