DIRECTIONS

- You'll need 56 - 8.5" x 11" pieces of white cardstock and about 3 hours for printing
- Backdrop is 60" wide x 88" tall (roughly 5' x 7.5")
- Using a high capacity inkjet printer like the Canon PIXMA G4210 Wireless MegaTank All-In-One Printer is highly recommended
- Staple or tape the large grid together to create an amazing marble backdrop
- Hang off a background stand or secure to a blank wall
- Not recommended for windy locations
- All pages are numbered and correspond to the chart below
