REACH Notification and/or Registration and RoHS Certification for Multi-Marketing Company Distributors

To Whom It May Concern:

Multi-Marketing Company ("MMC") exports product to member states of the European Union and European Economic Area. Consequently, there are regulatory obligations that MMC must meet that are specific to that part of the world. Our EU/EAA distributors require certification of product content in accordance with the REACH regulation (EC) 1907/2006:

- A. Neither the item, nor its packaging contain any substance listed on the ECHA Candidate List of Substances of Very High Concern (SVHC) in a concentration greater than 0.1% w/w:
<https://echa.europa.eu/candidate-list-table>
 - o If, in the future, any item supplied to MMC is found to contain a SVHC at a concentration greater than 0.1% w/w, we will inform MMC Distributors immediately and provide the:
 - Item number
 - Item name
 - Name, CAS# and concentration of each SVHC
- B. Neither the item, nor its packaging contains any substance listed in Annex XIV of the REACH regulation.
- C. The item contains no substances listed in Annex XVII of the REACH regulation.
 - o If, in the future, any item supplied to MMC is found to contain a substance listed in Annex XVII, we will immediately inform MMC Distributors.

Additionally, MMC must comply with the Restriction of Hazardous Substances (RoHS) regulation (2011/65/EU). Notwithstanding certain exceptions, this means that our electrical/electronic products must not contain any of the following chemicals in concentrations greater than 0.1% by weight: Lead, Mercury, Cadmium, Hexavalent Chromium, Polybrominated biphenyls (PBB's), Polybrominated diphenyl ethers (PBDE's), bis (2-ethylhexyl) phthalate (DEHP), butyl benzyl phthalate (BBP), dibutyl phthalate (DBP), and diisobutyl (DIBP).

Certification

We Multi-Marketing Company ("MMC") guarantee for all of our products, materials (or "articles" as defined by the REACH-Regulation (EC) 1907/2006) and our packaging manufactured by Multi-Marketing Company, or its subsidiaries, now and in the future:

- A. Neither the product/material, nor its packaging contain any substance listed on the ECHA Candidate List of Substances of Very High Concern (SVHC) in a concentration greater than 0.1% w/w:
<https://echa.europa.eu/candidate-list-table>
- If, in the future, any item supplied to MMC is found to contain a SVHC at a concentration greater than 0.1% w/w, we will inform MMC Distributors immediately and provide the
 - Item number
 - Item name
 - Name, CAS# and concentration of each SVHC
- B. Neither the item, nor its packaging contains any substance listed in Annex XIV of the REACH regulation. The item contains no substances listed in Annex XVII of the REACH regulation.
- If, in the future, any item supplied to MMC is found to contain a substance listed in Annex XVII, we will immediately inform MMC Distributors.
- C. If the item is electrical or electronic equipment as defined in the RoHS directive (2011/65/EU), it does not contain, in a concentration greater than 0.1% by weight, any of the following:
- Lead,
 - Mercury,
 - Cadmium,
 - Hexavalent Chromium,
 - Polybrominated biphenyls (PBB's),
 - Polybrominated diphenyl ethers (PBDE's),
 - bis (2-ethylhexyl) phthalate (DEHP),
 - butyl benzyl phthalate (BBP),
 - dibutyl phthalate (DBP),
 - diisobutyl (DIBP)
