Terms– School authorizes VNN to take reasonable steps to facilitate its use of the products selected above. School understands and agrees that VNN is simply facilitating its use of the third-party service provider marked above. The relationship with the third-party service provider shall be governed by Schools agreement with it. In no case shall VNN be liable for any action or breach of the third-party service provider. To the extent that VNN may retain data entered into third party sites through VNN platforms, such retention will be governed by the School Agreement. School understands that the rates for the third-

party service provider are subject to change by the third-party provider in which case VNN's billing of School will reflect such change. However, VNN will notify School via e-mail of increases of pricing and allow the School 48 hours from that notice to terminate this Addendum. This Addendum can be canceled in the manner provided in the terms and use or agreement of the third-party party with School. Notwithstanding School agrees to renew each agreement annually unless giving notice 30 days' notice of intent to terminate prior to the annual renewal. All other terms of the School Agreement which do not conflict with this Addendum will remain effective.

About VNN Partners:

RegisterMyAthlete is designed to streamline the process of student-athlete registration for students, parents, coaches and school administrators. From signing documents online to tracking eligibility, RMA provides a one-stop solution.

8to18 is athletics scheduling software built by AD's for AD's. The AD Assist Scheduler includes everything to schedule and manage your Events, Facilities, Workers, Transportation and more. 8to18 provides world class features at a high school price: schedule Events, Publish Content, Event Management, Electronic Contracts, and Notifications.

Scorebird provides a plug-and-play hardware device that allows you to drive more fan engagement with real-time score delivery tick-by-tick and point-by-point with no human interaction. Fans will love your live scoring widgets placed on your VNN site to follow along if they can't be at the game.

BoxOut is an online sports graphic solution that offers a full range of templates with endless possibilities for all of your teams, clubs, activities, school announcements and more. BoxOut's readymade templates allow you to publish graphics from your phone, invite and manage additional users, and look great as a result.

VNN Team App is an all-in-one team management app. Available for iOS and Google Play Store, the app acts as a complete coordination engine for coaches, parents and athletes. The mobile app offers chat channels, one-way messaging, schedules and reminders, athletic website sync, and ability to update content from the palm of your hand
