

Parma City School District Staff Passes & Information

Please be advised of the following Parma City School District Staff Admission Administrative Guideline for home athletic events:

Official staff identification badges issued from the district security office to Parma City School employees will be honored at all home athletic events. (Exceptions: Events not sponsored by the school district such as OHSAA tournament games).

NOTE: The official staff identification badge issued by the district will display the “district’s official logo” (PCSD) and the employee’s picture. All other staff identification badges issued from any other source will not be honored.

In order to gain entrance, the official staff identification badge with picture must be worn in plain view. Entrance admits the staff member and one other person. The other person must enter the event with you. Please do not try to leave a name at the gate with the ticket personnel.

Upon request by the home school athletic administration, the said employee will assist in a supervisory role.
