

Parma Senior High School All-Sports Booster Club

Our Redmen Athletes NEED your HELP!!!

The purpose of the PSH All-Sports Booster Club is to foster, promote and encourage involvement in athletics and to generate school spirit. The PSH ASBC works as a unified team to strengthen all athletic programs at Parma Senior High School. The club seeks to accomplish this by uniting all individual sport athletic booster groups through effective communication and the coordination of efforts to adequately support all PSH athletic programs. The PSH ASBC provides funds to be used by the Athletic Department for the support of the PSH athletic program including uniform and equipment replacement and athletic facility improvements at PSH. The boosters also help teams raise funds to help defray the pay-to-participate fee of the individual athlete.

Since its origin 12 years ago, the boosters have provided hundreds of thousands of dollars to our athletic programs that have directly benefited each and every student-athlete at PSH. In order to continue to provide our student-athletes with the best possible experience, the boosters need your help. All parents are strongly encouraged to actively participate in our boosters.

The Boosters meet monthly; typically the second Monday of each month at 6:30 p.m. in the Renaissance room/8th grade cafeteria. The meeting dates for the 2018-19 school year are:

As the old saying goes..."It takes a village to raise a child." We need all of our parents in the "Redmen Nation" to work together with the coaching staff to help provide the best experience for our kids.
