

Sex equity in Education Act Reporting

Pursuit to Education Code section 221.9, and beginning in the 2017-2018 school year and every year thereafter, each school is required to publicly report information regarding its competitive athletics to include total enrollment at each school classified by gender, the number of pupils enrolled at each school who participate in competitive athletics classified by gender, and the number of boys' and girls' teams, classified by sports and by competition level. Please note that the data below reflects the total number of players on a team roster on the official first day of competition.
