Athletic Director's Checklist

Please make sure you have completed the following steps in order to make your try-out experience go as smoothly as possible. If you have any questions or concerns, please contact Coach Bouwhuis at Bingham High 801-256-5100. Some of these steps will take some time to complete so please plan accordingly and start the process sooner rather than later. Best of luck with your upcoming try-outs and as always, It's A Great Day To Be A Miner!!

◇ Complete Register My Athlete Profile– registermyathlete.com

If you registered last year, all you need to do this year is change the year to 2017-2018 and register for your sport. Make sure all forms are signed and dated as well. If this is your first time registering, please complete the entire profile including insurance information and then register for the sport. If you get pushed into a transfer due to your residence, please upload the three required pieces of documentation and submit the transfer application. **FRESHMAN**– It will force you into a transfer if you put your previous school as other. That is fine but you **MUST** email me so that I can take you out of the transfer process.

◇ Physical

Every student-athlete must have an annual physical. Our team docs will be here on March 3rd at 7 a.m. Please print off the physical form fill out the required pieces and bring that along with a check or cash that morning to give to the Dr.'s. The cost of the physical is \$25 payable to RPT. If you choose to do your physical with your own Dr., please use the same form and have it turned in no later than March 5th so that you can be cleared for your first competitions.

◇ Academics

Remember for spring sports you must be in good standing academically in order to be able to try-out. Spring sports eligibility is not only determined by 2nd quarter grades but 3rd as well so make sure you are getting your work done. Please make sure you print out a copy of your quarter 2 grades and bring them with you to tryouts.

◇ NCAA Clearinghouse ncaaclearinghouse.com

If you are planning on playing at the next level, you need to go onto the NCAA Clearinghouse sooner rather than later and get registered. Requirements are changing and you don't want to loose out on the opportunity because you were not proactive in this process. Once you have registered, follow their checklist and if you have any questions, please see Coach Bouwhuis at Bingham High.
