

BHS SWIM TEAM FUNDRAISING 2019

We look forward to another great year with the Bingham High School swim team. We encourage every swimmer to do their part to help with the costs associated with being on the team. Each swimmer will be asked to collect **\$250** in sponsorships. There are many businesses willing to help us- we just have to ask. Make sure and try your doctor, dentist, insurance agent, and anyone else who would benefit from sponsoring our swim team. Fundraising money and information is due **October 25**

DIRECTIONS

1. Get an early start.
2. Keep a careful record (on the back of this sheet) of those who are going to sponsor you. Write legibly - I will make my best guess if I can't read your handwriting.
3. Give a copy of the attached sheet to any \$150 or \$250 dollar sponsors so they will have the information they need to email their logo. Make sure they know the deadline of October 25.
4. Have checks made out to BHS. Turn them in to the main office.
5. Make sure and attach the receipt(s) when you turn in your fundraising information. Make sure receipt total matches list total on the back of this form.
6. Tax numbers are available from Andee on request.
