

YOUR WINNING SEASON STARTS WITH A FREE SPORTS PHYSICAL

GET YOURS BY ATTENDING THE FREE
14th Annual Center for Orthopedics Sports Physical Event

Spots available by
appointment only.
June 10, 2022
1 – 5 p.m.

You're working hard to prepare for the coming season. But before you can take the field, you'll need a sports physical. Make plans to get yours at the Center for Orthopedics sports physical event. The examination is quick, easy and (best of all) free.

All participants will receive a complimentary goody bag and T-shirt, while supplies last.

WHAT TO DO:

Go to your school website and download the 2022 – 2023 Ohio High School Athletic Association (OHSAA) Preparticipation Physical Evaluation Consent form.

Complete and sign it with your parent/guardian prior to your scheduled exam or bring your parent/guardian with you – OHSAA forms will be available at the event. You must also bring any relevant medical records.

Don't get left on the bench. Visit [Center4Orthopedics.eventbrite.com](https://www.Center4Orthopedics.eventbrite.com) to schedule your check-in time. Space is limited. RSVP is required.

Call **440-329-2860** for additional information.
