

Spirit Rock Rental Agreement

The Spirit Rock is placed on LEHS property as a fundraiser for the Trident Club as well as to raise funds for classroom supplies. Seniors and their families will be given the first ten days of each school year to reserve dates. After that, rentals will be open to all LEHS families and staff.

The cost is \$10 per day and the painters will be responsible for providing their own supplies. No foul language, inappropriate drawings, personal attacks, or any questionable material will be placed on the boulder, or you will be permanently banned from painting the rock. Make sure you represent your school well.
