Dear Spartan Family:

We are off to another great year in Sparta! As Fall Sports are well underway, we are very excited about this 2018-19 school year! As we enter another year of competition in Region 6-5A, we look to raise the level of our athletic programs another notch. Several teams reached the state playoffs and we look to continue building North Springs back into a phenomenal sports program. The focus of our athletic programs is and always will be to provide the very best educational experience for our students. Preparing students for the realities of life, the work place, and the college experience are what I expect from the coaches who assist in molding your students. Take a minute to view the Fulton County Schools Athlete/Parent Handbook, as well as the North Springs Extracurricular Handbook that is linked below.

Thank you to our principal, Scott Hanson, the rest of the administrative team, faculty, and coaching staff for their constant pursuit in helping our student athletes to realize their potential both on and off the field of play. Most importantly, we would like to thank you the parents and fans for supporting Spartan Athletics.

GO Spartans!!!
