2020/2021 Athletic Chair Sponsorship

Dear Future Partner,

As we look ahead to our 2020-2021 seasons, we know that part of our success is found in the active and generous support with partners like you! I would like to personally thank you for your consideration to come alongside our athletic teams through our athletic chair sponsorship program.

Enclosed in this packet, we have included details of our gymnasium chair sponsorship program as we look to purchase new chairs for our student athletes and visiting teams. **If you are interested in being contacted with further details or to pledge your support, please check the box seen on the final page.**

We look forward to working with you, and continuing to make ODCS Athletics a great foundation for future Patriot leaders.

Sincerely,

Bryce Johnson
Athletic Director
