

## Los Altos Baseball 2020-2021

On behalf of the Los Altos Baseball program, I'd like to welcome your family to our LA Baseball Family! We had an awesome group of ball players this past season and it was especially heartbreaking for our Seniors in more ways than I can explain. Many of those players will pursue their Academic/Athletic Careers at the next level.

LA Baseball's competitive culture produces accountable, respectful and gritty Student-Athletes striving to be the best version of themselves. Due to the circumstances, our players will continue to grind and develop individually taking all safety matters into consideration.

I would like to meet you and say hello via a Zoom Conference to further discuss LA baseball.

**\*\*To prevent unwarranted guests, the name(s) on the profile sheet and the ZOOM Guest must match for meeting entry. Please click on the CONQUEROR ICON and fill out the Player Profile Sheet. An email will be sent out with the ZOOM MEETING INFO shortly after the Profile sheet is completed.**
