

MARYVALE PREPARATORY ACADEMY STUDENT-ATHLETE ELIGIBILITY POLICY

In order to participate in sports at Maryvale Prep, students will be required to be in good academic standing, as described by the parameters in this policy:

- Eligibility will be determined prior to the start of the season (Pre-Season Eligibility) and one point during the season (Mid-Season Eligibility)
 - See the chart below for specific dates
- The Athletic Director will be responsible for verifying eligibility at each checkpoint and communicate ineligibility status to coaches, parents, and students
- **Student-Athletes earning two or more “D’s” in their courses or one or more “F’s” will become ineligible to participate on a sports team for the season ahead (Pre-Season Eligibility) or going forward on their current team (Mid-Season Eligibility)**
 - The Headmaster can make an exception to this policy for students with IEPs or 504 plans through the consultation with the Athletic Director, teachers, and ESS team
- Ineligible student-athletes are not permitted to attend practices, but are encouraged to attend games (not in uniform) to support their team
- All parties should work diligently to help ineligible students keep their morale and focus strong and take the necessary steps to raise their academic performance
