

Bonham Independent School District Extracurricular Code of Conduct

Bonham ISD Extracurricular Code of Conduct

It takes commitment for winning to be an all the time thing. It takes commitment to do things right all the time. Total commitment means 100% effort, 100% of the time, no loafing, no idling, no standing around, no goofing off, and no phoning in sick. When we make a commitment, in essence, we're making a decision to do something. The Latin root for decision is to "cut-away-from" as an incision during surgery. So when we commit to something, what we're really doing is "cutting away" all our other options, all our other possibilities. When we commit to something, we cut away all the excuses, and all of the rationalizations.

1. Extracurricular Activities: General Provisions

What is an Extracurricular Activity?

- ❖ Any University Interscholastic League (UIL), School District, or campus-sponsored or related public performances, events, contests, demonstrations, displays, club activities, athletics, whether on- or off-campus;
- ❖ Any elected offices and honors (such as student counsel and homecoming king, queen or court);
- ❖ All co-curricular activities, which are those held in conjunction with a credit-bearing class, but that may take place outside of school and outside of the school day (such as band and choir);
- ❖ All national organizations (such as National Honor Society or Future Farmers of America); and
- ❖ Any activity held in conjunction with another activity that is considered to be an extracurricular activity (such as a meeting, practice, or fundraiser).

Why are Extracurricular Activities Important?

- ❖ They promote self-discipline, responsibility, leadership, teamwork, self-confidence, commitment, and student wellness.
- ❖ They enhance and enrich curricular educational offerings.
- ❖ They offer participants the opportunity to be leaders and role models on campus and in the community.
- ❖ They enable participants to represent the School District, their hometown and their family in a positive manner.

2. Jurisdiction

Who is Subject to the Extracurricular Code of Conduct?

Any student who participates in one or more extracurricular activities is subject to the Bonham Independent School District Extracurricular Code of Conduct (BISDECC). A student is subject to the BISDECC from the time he/she is selected for, elected to, or otherwise joins an extracurricular activity and continues to be subject to the BISDECC from that point forward unless or until the student no longer participates in extracurricular activities.

When Does the Extracurricular Code of Conduct Apply?

The privilege of representing the School District carries with it a greater responsibility to conduct oneself with respect and dignity, and to serve as a role model for all students. Consequently, extracurricular activity participants are expected to comply with the BISDECC at all times, regardless of location. This includes both on- and off-campus conduct as well as evenings, weekends, holidays, and summer vacation. Summer activity is germane if the student has been elected to participate or is continuing participation from a previous semester.

3. Conduct Expectations

What is Expected of Extracurricular Activity Participants?

Participants in extracurricular activities are representatives of the School District, and must conduct themselves in a manner that reflects positively on the School District at all times. Specifically, they must:

- ❖ Maintain an average of 70% or better in all academic courses, except as provided in District policy FM (Legal);
- ❖ Be punctual and prepared for all games, practices, meetings, performances, camps, and/or other scheduled events related to an extracurricular activity;
- ❖ Treat all school property with respect and ensure that school property is returned upon request and in good condition (excluding reasonable wear and tear);
- ❖ Abide by the District's dress and grooming standards for students as well as any dress and grooming standards applicable to the specific extracurricular activity;
- ❖ Comply with UIL rules, including those related to random drug and steroid testing, which can be found in Board Policy FNF (LOCAL).
- ❖ Be courteous and respectful toward all fellow participants, school faculty and staff members, spectators, parents, and officials, whether from Bonham ISD or from any other school district;
- ❖ Provide as soon as the participant is aware, advanced notice to the coach or sponsor of an activity if they are unable to attend a game, practice, meeting, performance, and/or other scheduled event related to the extracurricular activity;
- ❖ Complete safety training and maintain certification as required regarding recognizing the symptoms of injuries, and the risks of using dietary supplements;
- ❖ Comply with all rules and guidelines in the BISDECC and those established for a specific extracurricular activity in which the student participates; and,
- ❖ Comply with and adhere to the behavioral standards identified in the Districts Student Code of Conduct.

4. Prohibited Conduct

What Conduct is Prohibited for Extracurricular Activity Participants?

Category A Violations:

- ❖ Being tardy to games, meetings, practices, performances, camps, and/or other events without permission from the activity sponsor or coach;
- ❖ Being absent from games, meetings, practices, performances, camps, and/or other events without permission from the activity sponsor or coach;

- ❖ Engaging in acts of poor sportsmanship, such as cheating, using profane language, or taunting other participants;
- ❖ Being insubordinate to a coach or sponsor;
- ❖ Being disruptive during a game meeting, practice, performance, camp, and/or other event;
- ❖ Failing to return school district property as directed where the property is valued at \$20 or less;
- ❖ Violating the established rules or guidelines of a specific extracurricular activity in which the student participates;
- ❖ Violating the District's standards for dress and grooming or the standards set for the specific extracurricular activity;
- ❖ Engaging in general misconduct prohibited by the District's Student Code of Conduct.

Note: The standards of the BISDECC are independent of the Student Code of Conduct. Violations of these standards of behavior that are also violations of the Student Code of Conduct may result in a student being disciplined under both standards.

Category B Violations:

- ❖ Engaging in theft, destruction, or misuse of school district property;
- ❖ Failing to return or reimburse school property within two weeks of the conclusion of a sport or activity as directed where the property is valued at more than \$20;
- ❖ Engaging in hazing, harassment or bullying of others as defined by the Bonham ISD Student Code of Conduct;
- ❖ Buying, selling, giving, delivering, using, possessing, or being under the influence of tobacco, alcohol, marijuana, a controlled substance (without a proper prescription), or a dangerous drug at any time and regardless of whether the student is on school property or at a school-related activity;
- ❖ Engaging in any unreasonably dangerous athletic technique that unnecessarily endangers the health or safety of a student;
- ❖ Maintaining or being identified on a website, blog or any electronic communications device or photograph that depicts behavior that is illegal or is sexual in nature;
- ❖ Engaging in conduct prohibited by the Districts Student Code of Conduct that is punishable by placement in DAEP or expulsion.

Note: Students placed in DAEP are ineligible to participate in or attend extracurricular activities pursuant to Texas Education Code § 37.006(g).

5. Consequences

Category A Violations: A coach/sponsor has the ability to choose from a range of consequences based upon the particular student's and prior BISDECC violations.

- ❖ Verbal reprimand.
- ❖ Corporal punishment in the form of strenuous exercise.
- ❖ Suspension from a contest(s), and or partial contest and/or the remainder of the season.
- ❖ Suspension for the remainder of the season. (This consequence requires agreement of the sponsor/coach, athletic director and campus principal for athletic activities. For non athletic activities, this consequence requires agreement between the sponsor and campus principal unless the consequence is mandated by law or Board Policy.)

Definition: *“suspension” means that the student will not be permitted to participate in any competition, contest, scrimmage, performance, or election associated with an extracurricular activity. The student may continue to participate in practices.*

Note: *An extracurricular activity participant starts each school year with a clean slate, unless he or she had participation in extracurricular activities revoked during the previous school year, in which case that revocation continues from year to year. In addition, any consequences that were assessed during the prior school year for which the student owes additional suspension or behavior contract time must still be completed. For example, a student who was suspended from participation for 4 school weeks during the last week of school may have an additional 3 weeks of suspension to complete beginning with the next school year. The “clean slate” provision is contingent upon the participant's behavior/misbehavior over the summer months being acceptable and appropriate.*

Definition: *“weeks” means school weeks, but also includes any non-school weeks in which an extracurricular competition or event occurs, such as camps during the summer or on school holidays.*

Category B Violations: A coach/sponsor has the ability to choose from a range of consequences based upon the particular student's and prior BISDECC violations.

- ❖ Verbal reprimand.
- ❖ Corporal punishment in the form of strenuous exercise.
- ❖ Suspension from a contest(s), partial contest and/or the remainder of the season.
- ❖ Suspension for the remainder of the semester, and/or academic school year. (This consequence requires agreement of the sponsor/coach, athletic director and campus principal for athletic activities. For non-athletic activities, this consequence requires agreement between the sponsor and campus principal unless the consequence is mandated by law or Board Policy.)
- ❖ Suspension for the remainder of a student's educational career at Bonham ISD. (This consequence requires agreement of the sponsor/coach, athletic director and campus principal for athletic activities. For non-athletic activities, this consequence requires agreement between the sponsor

and campus principal unless the consequence is mandated by law or Board Policy.)

6. Procedures

Who Determines That a Violation of the BISDECC has Occurred?

The activity sponsor, coach, athletic director or appropriate administrator will determine whether a violation of the BISDECC has occurred and will assess the appropriate consequence.

How Will Consequences be Assessed for Different Violations of the BISDECC?

Consequences for violating the Districts BISDECC are assessed based on the severity of the violation and the commission of prior BISDECC violations.

Is a Student Entitled to Participate in Extracurricular Activities?

No. Participation in extracurricular activities is a privilege, not a right. As such, a student's participation may be revoked at the District's discretion.

How Will Parents be Notified that a Violation of the BISDECC has Occurred?

Parents will be notified of all violations *that result in suspension from participation* in extracurricular activities, or in cases where students are required to enter into a behavior contract. The activity sponsor or coach will contact (or make a good faith effort to contact) the student and the student's parent via telephone or face-to-face conference within 1 school day from the time the activity sponsor or coach learns of such a violation. At this time, the activity sponsor or coach will inform the parent and student that a violation of the BISDECC has occurred, discuss with them the applicable consequences, and give the student an opportunity to respond to the allegations. Coaches and sponsors must document their efforts to contact a parent in cases where notification attempts were unsuccessful.

What if a Parent Does Not Agree With the Decision?

All appeals will be addressed through the District's complaint process, contained in policies FNG (Legal) and (Local). A decision of the Bonham ISD Board of Trustees regarding an extracurricular activity complaint is final and is not appealable.
