

Never Miss a Moment of the Game

Watch fully automated HD streaming from anywhere, at any time, on any device - Live & On Demand. On Demand video is available for 30 days.

Watch Any Venue

View games and practices from the ever-expanding network of LiveBarn-installed facilities.

Choose How to View

Choose tracking that automatically follows the flow of the game or control camera with panoramic view, zoom or 180 controls.

Share Highlight & Save Games

Download 30-second clips to your phone or desktop. Share highlights via social media and email. Save game video for personal archive or analyze plays to improve team/player performance (premium subscription required to save 30-minute segments).

Play. Watch. Share.

1. Sign up at www.livebarn.com.
2. Select plan and enter **PROMO CODE: 5879-d8a5** for a 10% discount.
3. Log in via browser (www.livebarn.com) or via iOS App.
4. Search for your venue (star it as a favorite!), click on channels and select Live or VOD. For VOD, select the date and choose an AM/PM time segment.
5. While viewing, you can switch between Live & VOD, viewing surface, date and time (functionality may differ between browser and iOS App).
6. Share and submit highlights by clicking these icons:
