Higley Football invites all Higley Booster Clubs to **uKnight** and participate a school wide effort gather supplies for some of the tribes in Northern Arizona that have been hit hard with the COVID-19 outbreak!

We've all seen the media updates for the outbreaks in Arizona. Tribes in Northern Arizona have seen high numbers of cases and, unfortunately deaths! Tribes live in rural areas and are considered food scarce. People must travel distances to simply shop for groceries and household supplies. Some of the communities do not have access to running water or electricity. In addition to loss of jobs and income, many have been in lockdowns to try to curb the outbreak. As a Higley Family, lets **uKnight** and help our neighbors to the North! We've been in contact with representatives of each of the tribes to identify ourselves, seek permission to gather supplies and to identify what supplies are needed.
