Recommendations _____

I have examined the above-named student and completed the pre-participation physical evaluation. The athlete does not present apparent clinical contraindications to practice and participate in the sport(s) as outlined above. A copy of the physical exam is on record in my office and can be made available to the school at the request of the parents. If conditions arise after the athlete has been cleared for participation, the physician may rescind the clearance until the problem is resolved and the potential consequences are completely explained to the athlete (and parents/guardians).

AUTHORIZATION FOR STUDENT PARTICIPATION IN A ONE-DAY OR SEASONAL ACTIVITY

I, the undersigned, authorize my son/daughter _____, to participate in _____ activity scheduled for _____ (date) from _____ am/pm to _____ am/pm or during _____ semester from _____ (date) to _____ (date).

I understand that California law (Education Code section 35330) provides that any person making a field trip or excursion waives all claims against the school district and the State of California for injury, accident, illness, or death occurring during or by reason of the field trip or excursion. Accordingly, I hereby waive all claims that I might have against the school district or the State of California, their officers, agents, and employees for injury, accident, illness, or death occurring during or by reason of the activity described above.

AUTHORIZATION FOR USE OF PRIVATE VEHICLES* FOR STUDENT TRANSPORTATION AND INSTRUCTIONS FOR DRIVERS

I, the undersigned, understand that participation in the above-listed field trip or school activity will require transportation by bus or private vehicles driven by students, parents, or other designated drivers. I certify that I have read the below instructions that apply to all drivers or riders in private vehicles:

- Driver has a valid license. (If provisional or the driver is under 18 years old, passengers under 20 years old may not be transported at any time during the first 12 months; and no driving between 11 pm and 5 am may occur unless accompanied by a licensed parent/guardian or other licensed driver age 25 or older.)
- The vehicle is safe (tires, brakes, lights, horn, suspension, etc.) A safety check of the type conducted by the California Highway Patrol is recommended.
- Driver has adequate liability insurance. Drivers/owners of private vehicles are liable in the event of illness, accident, injury, or death resulting from such use. State law requires that "All persons making any field trips or excursion (either as a driver or rider in a private vehicle) shall be deemed to have waived all claims against the school district, employees, or the State of California for injury, accident, illness, or death occurring during or by reason of the field trip or excursion or for the use of private transportation driven by students, parents or other designated drivers."
- The number of passengers is appropriate for which the vehicle is designed. Student drivers are not allowed to transport more than three other students in any one vehicle. The number of occupants in a sedan vehicle, station wagon, or van, including the adult driver, may not exceed eight. In all cases, each passenger is required to use a seat belt. Passengers are forbidden to ride in the cargo area of pickups or motor trucks whether or not camper shells or other protective covering enclose these areas.
- Caravan-style travel will be utilized if more than one vehicle is used for the trip.
