Lady Stags basketball players/prospective players:

This summer is an important time building our individual skills and team development as we try to become even more competitive in our region and take aim at getting past the first round of the playoffs in 2020. Below is our June summer basketball schedule. Although these practices cannot be mandatory, there is a strong connection between player's success next season and the time they put in during the summer. These practices are open to any returning or prospective players entering 7th – 12th grades at Berkeley High School or Berkeley Middle School. There are 2 major requirements: 1. You must have a current physical on file before practicing this summer. 2. Bring a positive mindset and desire to get better. Looking forward to seeing you in the gym this summer!

SUMMER PRACTICES:

June 3	4:20 – 5:45	New Gym
June 4	1:30 – 3:00	New Gym
June 5	10:00 – 12:00	New Gym
