Mr. Will Doss

ATHLETIC PACKET FOR 2018-2019

THE ATHLETIC PACKET CONTAINS ESSENTIAL INFORMATION—IT IS NECESSARY THAT PAGES 2-5 BE COMPLETED AND RETURNED TO YOUR ATHLETE’S COACH.

- 1) Letter of Athletic Assessment Information to Parents/Guardians (pg. 1)
- 2) Parent Assessment Choices and Insurance Information (pg. 2)
- 3) Parent Permission/Release for Medical Treatment (pg. 3)
- 4) Concussion Awareness Form (pg. 4)
- 5) GHSA Pre-Participation Physical Evaluation Form – History Form; The Athlete with Special Needs: Supplemental History Form; Physical Examination Form; Clearance Form (pg. 5-8)

LETTER OF ATHLETIC ASSESSMENT INFORMATION TO PARENTS/GUARDIANS:

There will be an assessment on all participants in athletics in the Griffin-Spalding County School System for the 2018-2019 school year. The assessment for all participants will be fifty dollars (\$50.00) per year payable in cash or money order only. This is a one-time assessment for all sports effective for the school year. All athletes are required to pay the assessment before the first practice of the sport that they are participating in begins.

All athletes are covered by secondary accidental coverage. This coverage is only in effect with accidents involved during a sports program. This is not school day coverage; however, we do recommend that your son/daughter enroll in school day coverage at the beginning of the school year.

Please be sure the student’s name is printed at the top of every page and every signature space signed.

PARENTS: PLEASE KEEP THIS PAGE FOR YOUR INFORMATION.

Insurance Information

All athletes are covered by secondary accident coverage. Being secondary coverage, it is applied after your primary insurance is filed. This coverage is only in effect with accidents involved during a school sports program beginning the first day of the Georgia High School Association’s official start date for athletic activities and ending on the last day of the school year. The secondary athletic coverage **DOES NOT** cover athletes during summer athletic activities. Athletes not covered by personal accident coverage **will not** have insurance coverage for athletic events during the summer vacation. If a parent/guardian does not have personal accident coverage and wants their athlete to participate in summer athletic activities, they must purchase the 24-Hour coverage Plan, offered at the beginning of the school year by T.W. Lord and Associates, for the athlete to be covered during summer athletic activities. This 24 Hour coverage may be purchased at any time during the school year at full price but will expire on the first day of the upcoming school year.

Summer Contact Football Camps are not covered by the 24-Hour Plan. Event Insurance is purchased to cover participants during these camps. Athletes without personal medical/accident coverage or without 24- hour coverage will not be allowed to participate in summer athletic activities.

PLEASE COMPLETE THE FOLLOWING PERSONAL INSURANCE INFORMATION:

Parent/Guardian’s Insurance Company _____

Insurance Policy/Group Number _____

Policy Holder’s Employer _____

OR

Check: _____ We have purchased the 24-Hour Coverage Plan provided by T.W. Lord and Associates, LLC to provide coverage for our son/daughter. Enrollment

Date _____

I understand that school and personal medical/accidental insurance may not fully cover all medical costs in case of injury, I assume full responsibility for such medical costs.

Parent/Guardian Signature

STUDENT'S NAME _____

PARENT/GUARDIAN PERMISSION FOR PARTICIPATION

I do hereby give our permission for my son/daughter named above to participate in Griffin-Spalding County Schools' Athletic Programs, realizing that such participation involves the potential for injury, which is inherent in all sports. I acknowledge that even with the best coaching, use of the most advanced protective equipment and strict observances of rules, injuries are still a possibility. On rare occasions these injuries can be so severe as to result in total disability, paralysis or even death.

Such permission is extended to all high school and middle school athletics except noted below. Furthermore, I understand that my child must have a completed Georgia High School Association Physical Examination form signed by a licensed physician before he/she will be permitted to try-out for athletics. I understand that such physicals are valid for one school year. I understand that such physical intends to determine fitness for athletic participation and is not intended to detect all possible physical anomalies.

I acknowledge that I/We have read and understand the warning presented herein.

Parent's/Guardian's Signature Date

Student's Signature Date

Noted Exceptions: _____

RELEASE FOR MEDICAL TREATMENT

The following is a Release for Medical Treatment form on your child. This form gives our coaching staff the authority to admit your child for medical treatment if he/she is injured and you cannot be reached. This assures your child fast medical treatment in the event he/she may be injured and you are not available to give the doctor or hospital permission to treat your child. Thank you for your cooperation in this matter.

"I am the parent/guardian of _____ (Student's Name) and I authorize the Griffin Spalding County School System's coaching staff the authority to admit my child for medical treatment in the event that I cannot be reached."

Georgia High School Association Student/Parent Concussion Awareness Form

SCHOOL: Griffin High School

DANGERS OF CONCUSSION

Concussions at all levels of sports have received a great deal of attention and a state law has been passed to address this issue. Adolescent athletes are particularly vulnerable to the effects of concussion. Once considered little more than a minor “ding” to the head, it is now understood that a concussion has the potential to result in death, or changes in brain function (either short-term or long-term). A concussion is a brain injury that results in a temporary disruption of normal brain function. A concussion occurs when the brain is violently rocked back and forth or twisted inside the skull as a result of a blow to the head or body. Continued participation in any sport following a concussion can lead to worsening concussion symptoms, as well as increased risk for further injury to the brain, and even death.

Player and parental education in this area is crucial – that is the reason for this document. Refer to it regularly. This form must be signed by a parent or guardian of each student who wishes to participate in GHSA athletics. One copy needs to be returned to the school, and one retained at home.

COMMON SIGNS AND SYMPTOMS OF CONCUSSION

- Headache, dizziness, poor balance, moves clumsily, reduced energy level/tiredness
- Nausea or vomiting
- Blurred vision, sensitivity to light and sounds
- Fogginess of memory, difficulty concentrating, slowed thought processes, confused about surroundings or game assignments
- Unexplained changes in behavior and personality
- Loss of consciousness (NOTE: This does not occur in all concussion episodes.)

BY-LAW 2.68: GHSA CONCUSSION POLICY: In accordance with Georgia law and national playing rules published by the National Federation of State High School Associations, any athlete who exhibits signs, symptoms, or behaviors consistent with a concussion shall be immediately removed from the practice or contest and shall not return to play until an appropriate health care professional has determined that no concussion has occurred. (NOTE: An appropriate health care professional may include licensed physician (MD/DO) or another licensed individual under the supervision of a licensed physician, such as a nurse practitioner, physician assistant, or certified athletic trainer who has received training in concussion evaluation and management.

a) No athlete is allowed to return to a game or a practice on the same day that a concussion (a) has been diagnosed, OR (b) cannot be ruled out.

b) Any athlete diagnosed with a concussion shall be cleared medically by an appropriate health care professional prior to resuming participation in any future practice or contest. The formulation of a gradual return to play protocol shall be a part of the medical clearance.

By signing this concussion form, I give Griffin High School permission to transfer this concussion form to the other sports that my child may play. I am aware of the dangers of concussion and this signed concussion form will represent myself and my child during the 2017-2018 school year. This form will be stored with the athletic physical form and other accompanying forms required by the Griffin-Spalding County School System.

I HAVE READ THIS FORM AND I UNDERSTAND THE FACTS PRESENTED IN IT.

Medicines and Allergies: Please list all of the prescription and over-the-counter medicines and supplements (herbal and nutritional) that you are currently taking

Do you have any allergies? Yes No If yes, please identify specific allergy below.

Medicines Pollens Food Stinging Insects

Explain "Yes" answers below. Circle questions you don't know the answers to.

GENERAL QUESTIONS	Yes	No	MEDICAL QUESTIONS	Yes	No
1. Has a doctor ever denied or restricted your participation in sports for any reason?			26. Do you cough, wheeze, or have difficulty breathing during or after exercise?		
2. Do you have any ongoing medical conditions? If so, please identify below: <input type="checkbox"/> Asthma <input type="checkbox"/> Anemia <input type="checkbox"/> Diabetes <input type="checkbox"/> Infections Other: _____			27. Have you ever used an inhaler or taken asthma medicine?		
3. Have you ever spent the night in the hospital?			28. Is there anyone in your family who has asthma?		
4. Have you ever had surgery?			29. Were you born without or are you missing a kidney, an eye, a testicle (males), your spleen, or any other organ?		
HEART HEALTH QUESTIONS ABOUT YOU	Yes	No	30. Do you have groin pain or a painful bulge or hernia in the groin area?		
5. Have you ever passed out or nearly passed out DURING or AFTER exercise?			31. Have you had infectious mononucleosis (mono) within the last month?		
6. Have you ever had discomfort, pain, tightness, or pressure in your chest during exercise?			32. Do you have any rashes, pressure sores, or other skin problems?		
7. Does your heart ever race or skip beats (irregular beats) during exercise?			33. Have you had a herpes or MRSA skin infection?		
8. Has a doctor ever told you that you have any heart problems? If so, check all that apply: <input type="checkbox"/> High blood pressure <input type="checkbox"/> A heart murmur <input type="checkbox"/> High cholesterol <input type="checkbox"/> A heart infection <input type="checkbox"/> Kawasaki disease Other: _____			34. Have you ever had a head injury or concussion?		
9. Has a doctor ever ordered a test for your heart? (For example, ECG/EKG, echocardiogram)			35. Have you ever had a hit or blow to the head that caused confusion, prolonged headache, or memory problems?		
10. Do you get lightheaded or feel more short of breath than expected during exercise?			36. Do you have a history of seizure disorder?		
11. Have you ever had an unexplained seizure?			37. Do you have headaches with exercise?		
12. Do you get more tired or short of breath more quickly than your friends during exercise?			38. Have you ever had numbness, tingling, or weakness in your arms or legs after being hit or falling?		
HEART HEALTH QUESTIONS ABOUT YOUR FAMILY	Yes	No	39. Have you ever been unable to move your arms or legs after being hit or falling?		
13. Has any family member or relative died of heart problems or had an unexpected or unexplained sudden death before age 50 (including drowning, unexplained car accident, or sudden infant death syndrome)?			40. Have you ever become ill while exercising in the heat?		
14. Does anyone in your family have hypertrophic cardiomyopathy, Marfan syndrome, arrhythmogenic right ventricular cardiomyopathy, long QT syndrome, short QT syndrome, Brugada syndrome, or catecholaminergic polymorphic ventricular tachycardia?			41. Do you get frequent muscle cramps when exercising?		
15. Does anyone in your family have a heart problem, pacemaker, or implanted defibrillator?			42. Do you or someone in your family have sickle cell trait or disease?		
16. Has anyone in your family had unexplained fainting, unexplained seizures, or near drowning?			43. Have you had any problems with your eyes or vision?		
BONE AND JOINT QUESTIONS	Yes	No	44. Have you had any eye injuries?		
17. Have you ever had an injury to a bone, muscle, ligament, or tendon that caused you to miss a practice or a game?			45. Do you wear glasses or contact lenses?		
18. Have you ever had any broken or fractured bones or dislocated joints?			46. Do you wear protective eyewear, such as goggles or a face shield?		
19. Have you ever had an injury that required x-rays, MRI, CT scan, injections, therapy, a brace, a cast, or crutches?			47. Do you worry about your weight?		
20. Have you ever had a stress fracture?			48. Are you trying to or has anyone recommended that you gain or lose weight?		
21. Have you ever been told that you have or have you had an x-ray for neck instability or atlantoaxial instability? (Down syndrome or dwarfism)			49. Are you on a special diet or do you avoid certain types of foods?		
22. Do you regularly use a brace, orthotics, or other assistive device?			50. Have you ever had an eating disorder?		
23. Do you have a bone, muscle, or joint injury that bothers you?			51. Do you have any concerns that you would like to discuss with a doctor?		
24. Do any of your joints become painful, swollen, feel warm, or look red?			FEMALES ONLY		
25. Do you have any history of juvenile arthritis or connective tissue disease?			52. Have you ever had a menstrual period?		
			53. How old were you when you had your first menstrual period?		
			54. How many periods have you had in the last 12 months?		

Explain "yes" answers here

I hereby state that, to the best of my knowledge, my answers to the above questions are complete and correct.

1. Type of disability		
2. Date of disability		
3. Classification (if available)		
4. Cause of disability (birth, disease, accident/trauma, other)		
5. List the sports you are interested in playing		
	Yes	No
6. Do you regularly use a brace, assistive device, or prosthetic?		
7. Do you use any special brace or assistive device for sports?		
8. Do you have any rashes, pressure sores, or any other skin problems?		
9. Do you have a hearing loss? Do you use a hearing aid?		
10. Do you have a visual impairment?		
11. Do you use any special devices for bowel or bladder function?		
12. Do you have burning or discomfort when urinating?		
13. Have you had autonomic dysreflexia?		
14. Have you ever been diagnosed with a heat-related (hyperthermia) or cold-related (hypothermia) illness?		
15. Do you have muscle spasticity?		
16. Do you have frequent seizures that cannot be controlled by medication?		

Explain "yes" answers here

Please indicate if you have ever had any of the following.

	Yes	No
Atlantoaxial instability		
X-ray evaluation for atlantoaxial instability		
Dislocated joints (more than one)		
Easy bleeding		
Enlarged spleen		
Hepatitis		
Osteopenia or osteoporosis		
Difficulty controlling bowel		
Difficulty controlling bladder		
Numbness or tingling in arms or hands		
Numbness or tingling in legs or feet		
Weakness in arms or hands		
Weakness in legs or feet		
Recent change in coordination		
Recent change in ability to walk		
Spina bifida		
Latex allergy

^aConsider ECG, echocardiogram, and referral to cardiology for abnormal cardiac history or exam.
^bConsider GU exam if in private setting. Having third party present is recommended.
^cConsider cognitive evaluation or baseline neuropsychiatric testing if a history of significant concussion.

- Cleared for all sports without restriction
- Cleared for all sports without restriction with recommendations for further evaluation or treatment for _____

- Not cleared
- Pending further evaluation
 - For any sports
 - For certain sports _____
- Reason _____

Recommendations _____

I have examined the above-named student and completed the preparticipation physical evaluation. The athlete does not present apparent clinical contraindications to practice and participate in the sport(s) as outlined above. A copy of the physical exam is on record in my office and can be made available to the school at the request of the parents. If conditions arise after the athlete has been cleared for participation, the physician may rescind the clearance until the problem is resolved and the potential consequences are completely explained to the athlete (and parents/guardians).
