

Wayne-Westland Community School District Interscholastic Sports Information

As we resume athletic-related workouts and outdoor conditioning activities, the following National Federation of High School Sports & Michigan High School Athletic Association Covid-19 policies are in effect and must be followed at all times:

- Outdoor workouts only – all indoor facilities, including locker rooms, are currently closed and cannot be accessed
- To participate, all athletes must complete the John Glenn Athletic Department Questionnaire, prior to each workout. The questionnaire must be completed on the day of the workout and can be accessed [HERE](#)
- Outdoor events are limited to a maximum of 100 participants
- Temperature screenings will be conducted prior at the start of each workout – either by coach or trainer
- Social Distancing will be practiced and enforced at all times (6 feet)
 - Avoid shaking hands and any type of contact
- Water will not be available. All participants must bring their own water bottle and not share water or equipment
- A mask may be worn by student athletes, as needed
- Sanitizing solutions will be available and athletes may bring their own, as needed
- Proper hygiene is essential and athletes are encouraged to wash their hands, clothing and equipment regularly
- All workouts at this time are considered voluntary and missing will not be used as the basis for not making a team
- This information will be updated as the governor/legislature, MHSAA, district or athletic department enact new policies, expectations and procedures

****If a student athlete or a member of their immediate family are directly experiencing or have been exposed to someone with symptoms or a positive test for Covid-19, he/she will be prohibited from attending summer workouts until a two-week self-quarantine period has expired and must inform the head coach, so we can help limit the spread of the virus.*
