

## Athletic Trainer's July hours

The athletic trainer will be on campus Wednesday July 8<sup>th</sup>, Wednesday July 15<sup>th</sup>, and Wednesday July 22<sup>nd</sup> from 9 am to 11 am. On those days, she will only be collecting medical paperwork and clearing student-athletes for sports. There will be no treatments or evaluation of injuries during this time. The medical paperwork that is being collected and required for a student-athlete to be cleared includes: a physical (signed and stamped by an MD or DO and have been completed after May 15, 2020), a history page (completely filled out and signed by parent/guardian and student-athlete), and a confirmation page(s) for each sport they are planning to participate in (signed by parent/guardian and student-athlete). The confirmation page is found on [athleticclearance.com](http://athleticclearance.com) and is made available only after the account is completed. These will be collected in front of the tennis courts at Ayala High School entering Bulldog Blvd. from Peyton Dr. in drive-thru fashion. In order to comply with social distancing orders, please stay inside your vehicles.

If you have any questions, please email our head athletic trainer at [kayla\\_wille@chino.k12.ca.us](mailto:kayla_wille@chino.k12.ca.us)
