

## Medical Paperwork drop off

**Who:** All sports

**What:** In order to be cleared I need 1) a current physical signed and stamped by an MD or DO, 2) a completed and signed history page, and 3) the sport specific confirmation page from [athleticclearance.com](http://athleticclearance.com)

These documents must be given to me directly. Your coach is not able to collect them.

**When:** During check in at your assigned pod time and date. This is given to you by your coach. ONLY come in on the day and at the time your pod is assigned.

**Where:** At location of your check in. You are NOT allowed to enter campus if you are not cleared. Once checked in with your coach, stand to the side and wait for me to come to you. Please do not enter the gates until I collect your paperwork and clear you.

**How:** At your assigned pod time, you will check in and pass the screening with your coach at your assigned location. Inform your coach that you need to turn in medical paperwork to the athletic trainer to be cleared. Your coach will call me and I will come to the appropriate check in location.

**REMINDER:** If you are not cleared for whatever reason, you will not be able to condition with the pod/team and will be sent home.

Any questions please email the athletic trainer at [Kayla\\_Wille@chino.k12.ca.us](mailto:Kayla_Wille@chino.k12.ca.us)
