

Medical/Athletic Paperwork drop off

Who: For all sports

What is needed: In order to be cleared I need 1) a current physical signed and stamped by an MD or DO, 2) a completed and signed history page, and 3) the sport specific confirmation page from athleticclearance.com (multi-sport athletes will need a sport specific confirmation page for each sport)

These documents must be given to me directly. Your coach is not able to collect them.

When to turn it in: During check-in at your assigned time and day(s) of your conditioning. This is given to you by your coach. **ONLY** come in on the day and at the time you are assigned.

Where to go: Report to the location of your check-in given to you by your coach. You are **NOT** allowed to enter campus if you are not cleared. Once checked in with your coach, stand to the side and wait for me to come to you. Please do not enter the gates until I collect your paperwork and clear you.

How: At your assigned time, you will check in with your coach to be screened at your assigned location. Inform your coach that you need to turn in medical paperwork to the athletic trainer to be cleared. Your coach will call me and I will come to the appropriate check-in location. Do not go looking for me, I will come to you.

REMINDER: If you are not cleared for whatever reason, you will not be able to condition with the pod/team and will be sent home. No exceptions.

Any questions please email the athletic trainer at Kayla_Wille@chino.k12.ca.us
