

LOUISVILLE HIGH SCHOOL
PAY TO PARTICIPATE FORM
2019-20 SCHOOL YEAR

All students who hope to participate in athletics, extra-curricular, and co-academic activities will be charged a Pay to Participate fee. **Please read the following guidelines below before signing.**

Guidelines

1. **Students will NOT be permitted to perform, compete or participate in athletic, extra-curricular and co-academic activities if Pay to Participate form is not returned with payment of fee or approved waiver before the first regular season game/contest/event.**
2. All students must pay the designated fees to participate for each activity. Fees will be waived for students who have met the **cap of \$200 per student or \$300 per family**. Middle School caps are \$100 per student and \$150 per Middle School only family. **Instructional course fees and general fees do not apply to the Pay to Participate cap.**
3. Persons or organizations wishing to offer aid or “scholarships” to students should do so directly through the student’s family. No payment plans can be set up through the school.
4. The payment of a PTP fee does not guarantee any student a certain amount of participation time, special recognition, or awards.
5. The superintendent or his designee will determine if there are too few participants to field a team or run an activity. Should the activity be discontinued, all fee money will be refunded within one month.
6. There will be no refunds for students who are suspended or removed for disciplinary reasons, or for students who quit for any reason after the activity’s first official practice or meeting.
7. Fees are **non-refundable** with the following exceptions:
 - a. The sport/activity is cancelled due to insufficient numbers.
 - b. Student does not make the team.
 - c. A student becomes physically unable to participate prior to the date of the first regular season contest/game, meeting or event.
 - d. Student moves out of the district prior to the first regular season contest/game, meeting or event.
 - e. Student is declared academically ineligible to participate before the first regular season contest/game. Refund must be requested in writing if any of the above criteria above is met. Refunds will be issued within one month of the request after the respective principal has approved the refund.
