

Goodwill Industries of Northwest Ohio, Inc. Donation Acceptance Policy

Goodwill Industries of Northwest Ohio, Inc. would like to extend its gratitude and appreciation for taking time to support our mission with good quality donations. Unfortunately, due to the rising costs of waste disposal and safety concerns, we must decline certain low turnover items and items in need of repair. Below is a list of unacceptable items. One of the many things that make Goodwill Industries so exciting is the variety of donations available for sale to the public. This list is to be used as a guide to protect both you and Goodwill.

Thank you for your understanding and support!

All items listed below are subject to acceptance based on Goodwill management's discretion.

Unacceptable Items

- Baby/Infant furniture and large toys. Due to controls determined by the *Consumer Product Safety Commission*, these items will be accepted based on management approval.
