

Fishers Boys Soccer - 2020 Spring, Summer & Fall Information

Welcome! The following is as much information as I can currently provide regarding the Fishers Boys Soccer Program and spring, summer and fall information. As we wait out Covid-19 and stay at home orders, we all must prioritize the health and safety of ourselves, our families, our Fishers community and society as a whole. I am saddened that this time has disrupted your spring club seasons and I am hopeful it won't do the same to our fall season. That said, the reality is that we don't know exactly what the future holds and we are working hard to be ready for all of the things that we can control. While I'm hopeful we will be able to have our normal summer trainings it is very possible that we will be delayed.

Please read over all the information below and let me know if you have any questions.

Thank you,
Coach Schmidt & The Fishers Boys Soccer Coaching Staff

Spring Call-Out Meeting / Upcoming Zoom Meetings

We would have had our spring meeting on March 31st. That meeting was cancelled and will be replaced with a series of optional Zoom sessions. I feel breaking up the meetings will help as the needed information can be a little different. I will e-mail out specific information and Zoom meeting information. This will be an opportunity to go over this information, have opportunities to ask questions and an opportunity to meet coaches.

- **Returning State Roster Players Only – Thursday, April 9th at 3pm**
- **All Returning Silver/JV/Varsity Players &/or Parents – Thursday, April 9th at 4pm**
- **All Incoming Freshmen & any Newcomers & Parents – Thursday, April 9th at 5pm**

Please contact Coach Schmidt at pschmidt@hse.k12.in.us with any questions

New Player Information Questionnaire

I will be sending out a google form through TeamSnap to get information about new players and incoming freshmen.

Spring Strength & Conditioning / Soccer Workouts

We normally have optional after school lifting twice a week during the spring. Obviously, that is not an option this spring. We are going to do the following two things starting next week...

- We will be sharing a weekly, at home, workout plan from Coach Jones. While optional, we highly encourage you to take advantage of the time you have to stay in shape and get stronger!
- We will send out a weekly suggested/optional soccer workout for the week. This is optional and should co-exist with anything your club teams might be doing at the same time. These are just ideas to help you train during this time.

We will continue these through the spring and in to summer if we are unable to start our normal summer trainings on time in June.

Physicals & Required Online Forms

All players must have an IHSA physical (dated after April 1, 2020) and have completed the required "Online Digital Registration" prior to any participation. [Click Here to Register an Athlete for 2020-2021](#) . You can go ahead and get the online forms taken care of now.

Physicals may be one of the trickiest things that may delay our start to our summer training. It may be difficult to get your physical during this time or in the next couple months. Fishers HS may be hosting a physical night with Community Sports Medicine in June. More info will follow as possible. Physical must be turned into the athletic office once the office/building is open again and prior to participation.

Summer Workouts / Summer League

Our summer workouts are currently scheduled to begin Monday, June 1st and go throughout the summer. The summer schedule is up to date in TeamSnap. In June, we plan to have training every Monday and Thursday morning from 9:30am-12:30pm and Tuesday's from 4-6pm. On Mondays and Thursdays we will meet at the soccer fields at 9:30 and finish in the weight room. On Tuesdays we will meet at the soccer fields and end at the soccer fields. In July we will move the Tuesday trainings to 9:30-11:30am.

Much of our summer training has traditionally centered on our Summer League. I hope we are still able to play our summer league, but with the uncertainty, we will delay planning for the summer league. We will do our best to have at least an abbreviated summer league. Therefore, our summer training will center on summer league as possible, full sided open play, speed training, technical work and preparation for our fall season.

Moratorium is the week of July 1st and no training will take place.

UIndy Team Camp

As of now, we are planning on taking one team to the University of Indianapolis Team Camp this summer. Space is very limited. We will start by inviting all returning state-rostered players. We will then invite other players as needed to maximize the number of camp participants we are allowed. The three day / two night camp is July 20th-22nd. The camp costs \$195 and is optional. Returning state roster players have been sent registration information, however as of now I would wait to register/pay for the camp until we know for sure the camp will be available and safe for us to attend.

Please contact Coach Schmidt at pschmidt@hse.k12.in.us with any questions

Mt. Vernon Showcase

As of now, we plan to take one team to the Mt. Vernon summer showcase. The 3 game tournament is July 24th-26th. The bulk of the team invited will be all returning JV players, some silver players and some new players. Players invited to and attending the UIndy camp will likely not play in the showcase. More details to follow.

Youth Camp

We will not be hosting a summer youth camp this summer. Too many questions make registering participants difficult. We may look to have a 1-day clinic in July.

Try-Outs

Official try-outs are scheduled for Monday August 3rd from 4:30-6:30pm, Tuesday August 4th from 4:30-6:30pm and Wednesday August 5th from 3:30-6:30pm. Monday, August 5th is the first official & required day of training. All teams will be announced and set by the end of training on August 5th. More information coming soon.

Fall Schedule Information

The fall practice & game schedule is still being finalized. See the current schedule on the Fishers Tigers Varsity Boys Soccer page (click the more tab and see the up to date calendar). I will also update the TeamSnap calendar soon.

Costs/Fees to Know for After Try-Outs

- Soccer Booster Fee – \$130
- Player Pack: \$110 per player

- Flash Store Items – Optional and include optional warm-up, bag and other team gear.

The mission of Fishers Boys Soccer is to work hard, improve daily, and achieve high levels of success on and off the field. We will have fun and form a tight family bond with teammates by working together, communicating, and caring for each other. We will practice, play, and behave unselfishly. We will celebrate the successes of teammates. We will be self-starters. We will play with a sense of urgency and compete with heart and pride. We will compete with integrity and value sportsmanship. We will work to be the best team we can be and achieve the highest levels of team success possible.
