

## Fairmont Spectator Ticketing Procedures –2021/2022

The Fairmont Athletic Department has partnered with online ticketing company Ticket Spicket. Tickets and passes for the 2021-2022 athletics seasons will be available via our Fairmont site. To access this site you can visit [www.firebirdathletics.com](http://www.firebirdathletics.com) → hover over MORE → Tickets/Passes → click on Purchase Tickets/Passes. You can also use the QR code below to access our site directly...

We appreciate your patience and flexibility as we navigate rolling out our new ticketing platform. If at any time you have questions please reach out to the Athletic Office and we will be happy to help!

### Passes

You will buy your season passes via our Fairmont site. Once you purchase these you will have the opportunity to “claim a ticket” for every high school and middle school home hosted regular season contest. Ticket Spicket will direct you to create an account and this is where your pass will “live”. If you are purchasing for more than yourself you will have the ability to transfer a purchased pass to someone else. When attending an event you will need to claim your ticket for that game. You will then provide your ticket/QR code to be scanned into the game(s).

*Note: We will not be renewing old passes!*

### Tickets

When purchasing tickets via our Fairmont site you will be directed to create a Ticket Spicket account. This is where your ticket will be. When attending an event you will need to provide your ticket/QR code to the ticketing game personnel to be scanned into the game.

- Tickets for Varsity Football will go on sale at 8am the Monday prior to the game.
- Tickets for all other events will go on sale online 24 hours prior to the event.

## Phone App available

Once you have created a Ticket Spicket account you can download their app to manage your account. This is the app you will need to download...
