All candidates will be selected by the designated judges or coaches in attendance on the tryout dates at the tryout site. In the event a candidate is able to participate in only a portion of the tryout or is unable to complete the entire tryout, it will be at the discretion of the coach or sponsor and his/her assistants as to whether the candidate will be selected as a member of the team or performing group. Coaches or sponsors must be informed of any injury, illness, or any other reason that would prevent a candidate from participating in tryouts prior to the tryouts. In addition, membership on a team or activity in a previous year or season does not guarantee membership during the current year or season.

As a candidate for the above team or performing group, I have read the rules and requirements to be a member of that team or group. I agree to fulfill the duties and obligations of the team or group. I understand the necessity of good sportsmanship and cooperation with the other team members, coaches, sponsors, teachers and school officials. I will do my best to represent my school. I understand that, in the event I am not able to participate in or complete the tryout, my coach or sponsor shall make the final determination with regard to my membership on the team or group.

I have read the rules and requirements for my child to be a member of the above team or performing group. I will do my best to cooperate with and support coaches, sponsors, teachers and school officials. I will help my child to maintain or exceed the requirements and obligations as stated. I understand that, in the event my child is physically unable to participate in or complete the tryouts, the coach and sponsor shall make the final determination with regard to membership on the team or group.

Activity Qualification

All sports/spirit squads have a participation fee of \$50.00 per sport/activity and a fee of \$25.00 for an Activity Ticket. The participation fee helps offset the cost of the athletic program and will not have any effect on an athlete's amount of playing time. As always, decisions involving playing time and position designations are the sole decision of the coaches involved in that program. District budget reductions may not be announced until after the squad has been selected.
