IMPORTANT REMINDERS REGARDING COVID PROTOCOL

COVID SAFETY PROTOCOL

- Please do not send students to school if they are sick.
- **Staff & students are required to properly wear a mask unless they are eating or drinking water.**
- Students are asked to arrive no earlier than 7:45am and report directly to their first class.
 - PE class or class in the 600 hallway, enter the Gym entrance.
 - Class in the 200 or 300 hallway, enter the North entrance.
 - Class in the 400 or 500 hallway, enter the East entrance.
- Free meals served to all students at lunch or they may bring their own. Students may also leave campus for their 25-minute lunch. *Meal deliveries are not allowed.*

COVID EXPOSURE PROTOCOL

When our school receives a report that a student or adult tests positive for COVID-19, we will notify only those affected. Our school nurse works closely with the local health department to conduct contact tracing. They will identify anyone with close contact or at risk of exposure to the respiratory particles of the infectious individual and directly notify them by phone and/or email of the notice to quarantine. If you do not receive direct notification to quarantine, your student is not a close contact or at risk of exposure. Families may find a list of reported COVID-19 cases and Lawrence Public Schools' COVID-19 prevention measures at www.usd497.org/COVID19.

Please also note that the Kansas Legislature passed House Bill 2134 in May, and the Governor signed it into law. This law limits remote learning in public schools. Our teachers will provide homework assignments for students who are absent due to illness or a quarantine order from the health department.

Thank you for monitoring your child for symptoms of illness and keeping them home from school when they are sick. Please notify us if your child will be absent due to illness or exposure, if they are awaiting test results, or if they have tested positive for COVID-19. Working together, we can continue to maintain safe learning environments for all students and staff.
