Contributor - Guaranty Chevrolet

1990 – 2017

Bruce began the annual Pancake Breakfast fundraiser which continues to this day. The revenue earned from selling tickets to the breakfast supports participating programs at each high school in the District. In 2005 he began the annual Perfect Attendance Car Giveaway for those students who have 100% perfect attendance during the current school year. Lucky winners are awarded with a brand new Chevrolet! Bruce continues to seek and encourage business partners to support all the schools in our District.
