

## HOLLAND PUBLIC SCHOOLS ATHLETIC DEPARTMENT SECONDARY INSURANCE POLICY

Holland Public Schools contracts with First Agency of Kalamazoo to provide an optional secondary insurance policy for student athletes. The policy includes 80/20 coverage for medical expenses up to \$25,000. In the event that injury expenses exceed \$25,000, a catastrophic injury policy is carried to cover student athletes up to \$1,000,000.

In regards to the secondary insurance policy, students have two options. They are as follows:

1. **Opt-in** to the secondary insurance policy by paying a fee of \$30.00 to the athletic office prior to the student's first day of practice/tryouts for the school year. The fee is required once per school year regardless of the number of sports in which the student participates.

**OR**

2. **Opt-out** of the secondary insurance policy by completing the form below and returning it to the athletic office prior to the student's first day of practice/tryouts for the school year. The form is required once per school year regardless of the number of sports in which the student participates.

For more information regarding the secondary insurance policy, please contact Hannah Doorn, Athletic Trainer, at 494-2235 or hdoorn@hollandpublicschools.org.
