

Dear Supporter of HPS Athletics,

We hope that this letter finds you well and looking forward to another year of Dutch athletics! The Holland Athletic Boosters are excited for the 2019-20 school year and continuing our mission to support our student athletes.

Because of your support, we have been able to pledge over \$100,000 to the HPS Athletic Department over the past four years! We are proud to say that during this time period, each sport at HPS has benefited from Athletic Booster financial contributions! In addition to upgrading uniforms and equipment, we have been able to send students to the MHSAA Student Leadership Summit, fund college scholarships for graduating seniors, and we've also brought Rob Miller, co-founder of Proactive Coaching, to HPS to speak to our students, coaches, and parents. None of this would have been possible without your support.

Our goal is to contribute \$25,000 to the athletic department during the 2019-20 school year. With your support, we can continue to provide our student athletes and teams with the equipment, uniforms and training that they need.

Remember that your support of our student athletes and the Holland Athletic Boosters is tax-deductable. Also, please know that all individual donations are put back into the athletic program in the year which they are received!

We look forward to seeing you in the stands this school year supporting our student-athletes! GO DUTCH!
