Dear Parent(s) of Arcanum Student Athletes:

The Arcanum-Butler Local School District has adopted an Athletic Participation Fee Policy for all athletes. Each athlete participating in a sport under the Arcanum Athletic Department will be required to pay a one-time Athletic Participation Fee of \$40.00. If your child(ren) participate in more than one sport in a school year, they will only need to pay this participation fee one time to the coach of the first sport they participate in for the current school year. *There will not be a multi-family discount offered.* Therefore, each athlete will be required to pay the full \$40.00.

All 2017-2018 Fall Athletes need to have this Participation Fee paid to their coach prior to the first athletic contest. In the event that this fee has not been collected prior to the first contest, the athlete will not be permitted to participate until the \$40.00 Athletic Participation Fee is paid in full.

We look forward to a successful 2017-2018 school year. GO TROJANS!!!

Sincerely,

Brian Sprada
