Participation Waiver and Medical Release I feel that there are no medical reasons why my son cannot participate in the Hawks Basketball Camp. This camp is designed to teach my son the fundamentals of basketball. It will also emphasize the importance of sportsmanship, team play and work ethic. Coaches and older students will conduct drills, conditioning exercises, and supervise controlled scrimmage games. I understand that insurance to cover medical expenses incurred as a result of participation in this activity is my responsibility. Further, I am willing to assume responsibility in the aforementioned activities. I also grant permission for the school employee in charge of the activity in which the student is participating to arrange for medical treatment, including transportation to and the admission and treatment in a hospital when necessary, in those instances where the employee believes that immediate treatment is necessary to maintain the health and physical well-being of my child. I agree to assume full responsibility for the payment of all costs incurred for such medical treatment, necessary ambulance services, and other related costs.
