

Hillsboro High School Presents:

Player Developmental ID Soccer Camp

June 3rd-6th for Grades K-6.

All campers will receive a soccer ball and t-shirt

Over the last 10 years the growth of soccer in Jefferson County has almost doubled. The players are getting better but the training is still lagging behind. Parents and players are in need of a program that will bridge the gap between recreational soccer and the next level. Player development at the younger ages is paramount to future soccer success. Hillsboro Head Soccer Coach Chris Schacht and his staff have put together a summer program that will fill the void that is desperately needed in this area.

Hillsboro HS - Player Developmental ID Soccer Camp will identify these young athletes, grades K-6 and mold them into soccer players by focusing on each player's technical proficiency and a better understanding of tactical awareness through small sided game play. This will be a **Monday - Thursday** camp that will run **6:00-7:15pm** each evening. The Camp will be divided into two different training programs. The first half will be spent on the basic skills needed to play the game of soccer. The second half will focus on developing the daily technical skill learned and put that into a game situation. The technical skills covered throughout the week will be: **Touch/Dribbling, Passing/Receiving, Attacking/Defending and Striking/Finishing.**

SPACES ARE LIMITED – Sign up on or before the deadline date listed below to assure your spot.
