CAREPOINT LEWIS CENTER

6515 PULLMAN DRIVE

*(At the corner of Rt. 23 and Lewis Center Rd. in the Kroger Plaza)*

---

Physical exams administered by The Ohio State Sports Medicine Wexner Medical Center athletic trainers, physical therapists, and fellowship-trained sports medicine team physicians and fulfill OHSAA requirements for the 2018-19 school year.

Athletes under the care of a primary care physician for known medical conditions are advised to obtain their medical exam from their physician.

Parents are strongly encouraged to attend and be present during their athlete's physical examination. If a parent or guardian is not present, all pages of the OHSAA physical form need to be completed, signed and dated for their athlete to be eligible to participate in sports with the school district.

Athletes will be called back for their exams in the same order they signed in upon arrival. We will do our best to move through as quickly as possible but understand that the physicians want to make sure each athlete gets all their needs addressed completely and thoroughly.
