Recommendations _____

I have examined the above-named student and completed the preparticipation physical evaluation. The athlete does not present apparent clinical contraindications to practice and participate in the sport(s) as outlined above. A copy of the physical exam is on record in my office and can be made available to the school at the request of the parents. If conditions arise after the athlete has been cleared for participation, the physician may rescind the clearance until the problem is resolved and the potential consequences are completely explained to the athlete (and parents/guardians).

Dear Terrier Student Athlete,

This step in this process requires parent and student signatures in agreement of the consent to participate. Please read, sign and return to the Athletic office along with your completed physical forms. Please remember that you are not cleared at this point. You must complete both this step and the online registration before we can clear you.

Thank You,
Redlands High School
Athletic Department

I hereby give my consent for [student], hereafter named student, to compete in athletics. I authorize the student to go with and be supervised by a representative of the school on any trips. In case this student becomes ill or is injured, you are authorized to have the student treated and I authorized the medical agency to render treatment. I consent to any x-ray examination, anesthetic, medical, or surgical diagnosis or treatment and hospital care which is deemed advisable by, and is to be rendered under, the general or special supervision of any physician and surgeon licensed under the provisions of the Medical Practice Act on the medical staff of any accredited hospital, whether such diagnosis or treatment is rendered at the office of said physician or said hospital it is understood that this authorization is given in advance of any specific diagnosis, treatment or hospital care being required, but is given to provide authority and power on the part of the school representative to give specific consent to any and all such diagnosis, treatment or hospital care which the aforementioned physician in the exercise of his/her best judgment may deem advisable. This authorization shall remain effective until the end of the school year unless sooner revoked in writing and delivered to the school.
