INSTRUCTIONS:

1. Initial permission must be granted by the unit principal prior to making any travel arrangements, collecting funds or depositing money.
2. Every effort must be made to limit the amount of classroom instruction students will miss. A rationale must be included with application.
3. **The designated principal must approve ALL travel.** This includes trips made every year. You may not schedule any transportation until your Field Trip has been approved by the designated principal (**Vicki Nelms**).
4. No student may be denied the opportunity to participate in a field trip due to lack of personal funds.
5. All Field Trips require adult (21 or over) chaperones at the ratio of 1:25 (Day Field Trips).
 - Parent chaperones need to complete a volunteer application form including a criminal history verification form.
 - Non-parents need to complete a volunteer application form, reference checks and a criminal history verification form.
 - **Beth Ruhl** provides these forms.
 - Other than the trip leader, district employees cannot serve as chaperones without permission of their immediate supervisor.
 - Please submit at least one month prior to trip if transportation is needed.

6. Class lists including lunches and SSC classes must accompany your request.

All parts of the application must be completed and submitted to **Tami Holen (holent@nclack.k12.or.us)** at least **four weeks prior to the trip.**
