- Why we want our students to play sports •

- Participation in interscholastic athletics programs:

- Compliments your school experience.
- Fosters a sense of community and teaches lifelong lessons of hard work, teamwork, citizenship and discipline.

- Why we want our students to play sports •

- Participation in interscholastic athletics programs:

- We want to prepare our student athletes for the next stage of their lives & learn responsibility:

1. College
2. Employment
3. Military

- Why we want our students to play sports •

- In interscholastic athletics:
 - Student academic achievement and success take priority over athletics achievement and success.
 - **The success of a team is more important than individual awards.**
- **Participation in interscholastic athletics programs is a privilege, not a right.**

- Basic OHSAA Rules & Regulations
- Eligibility rules exist to help maintain competitive balance in school sports and to promote the purpose of education-based athletics.
- To maintain eligibility, high school students must have received passing grades in a minimum of **five one-credit courses, or the equivalent, in the immediately preceding grading period.**

- If you drop a course or change your schedule, it is critically important that you contact your principal or athletic administrator to see if this affects your eligibility.
- It is the student's responsibility to communicate this.

- ❑ Students taking College Credit Plus must comply with OHSAA scholarship standards.
- ❑ All students participating via state law that permits home educated, non-public, community and STEM school students to participate at public schools must also comply with OHSAA scholarship standards.
- ❑ Semester and yearly grades have no effect on OHSAA eligibility.
- ❑ No high school student will be eligible if he or she has been enrolled in high school for more than eight semesters.
- ❑ High school students will be ineligible whenever they turn 20 years old.

• OHSAA Non-School Team & Out-of-Season Standards •

- You will be ineligible if you are competing on a non-school team in the same sport during your school team's season
- (example: club baseball during school's baseball season).

• OHSAA Transfer Standards •

- Once eligibility has been established at a member high school and you transfer to another school, you will be ineligible for the **second half of contests including post season play.**
- **50 percent of the maximum allowable regular season** sport in which you participated during the previous 12 months.
- So for basketball it would be 11 games, even if you only play 20 as 22 is the max.

Trainer - Lindsay Sullinger

If you have a question pertaining to injuries you can contact Lindsay the trainer
Lindsay.Sullinger@uhhospitals.org

• Concussions •

- Your Health & Safety
- It is **EXTREMELY** important for everyone involved in school sports to recognize the potential dangers associated with concussions and review their responsibilities in protecting student-athletes.
- Concussions are **NOT** just a problem in football . . . concussions can happen in just about any sport!
- A concussion is a traumatic brain injury that interferes with normal function of the brain. “Dings” and “bell ringers” are **SERIOUS** brain injuries and you do **NOT** have to have loss of consciousness for it to be considered serious. Young athletes are at increased risk for serious problems.

• Concussions •

- ❑ In Ohio, any athlete who exhibits signs, symptoms, or behaviors consistent with a concussion . . . such as loss of consciousness, headache, dizziness, confusion or balance problems . . . shall be **IMMEDIATELY** removed from the contest or practice and shall not return to play that same day.
- ❑ Thereafter, the student shall not return to practice or competition until cleared with **WRITTEN AUTHORIZATION** from a physician or health care provider approved by the local board in accordance with state law.

Return to play

- If you go to a physician or medical facility for an injury, any injury, you will need to **get clearance in writing** to return to participation.
 - At this point the student athlete will work with the trainer to begin the return to play protocol.
 - The OHSAA has a form for the return to participate protocol.
- 

Going to the Doctor or Medical Facility

If you got to your doctor or to a Emergency room or Urgent Care for an injury you will need to written clearance to return to play for ANY injury.

- At North Ridgeville we conduct impact testing prior to the start of each season on our student athletes.
- In addition, you are highly encouraged to review a short presentation on concussions available at no cost (www.nfhslearn.com).

• Additional Health & Safety Guidelines •

- ❑ North Ridgeville HS & the OHSAA do not permit the use of any form of alcohol, tobacco or illegal drugs.
- ❑ Besides the health risks involved, use of any of these items will result in students being disqualified from contests and violators likely facing additional school and legal penalties.

Boosters

- North Ridgeville Athletic Boosters
- Booster Bucks
- Mattress Sale 8/17!!!!!!

As a parent/guardian if you have issues or concerns

- First please talk to your child. – Get their perspective on the situation.
 - Have the student athlete meet with the coach.
 - Then reach out to the coach at the appropriate time.
 - Please do not approach a coach immediately before or after a contest.
- 

If you are upset during or after a contest – Respect the game

- Chances are that if it is immediately after a contest you will be emotional. Chances are the coach may also be emotional.
 - That is not the time to have a conversation.
 - Please do not scream or yell at officials, coaches, student athletes or opposing fans.
 - That behavior will result in a game ejection and possible ban from future events.
- 

Fan expectations

- Please do not yell at coaches.
- Please do not yell at student athletes.
- Please do not yell at officials.
- Please do not yell at other fans.

It is NOT OKAY to be disrespectful to others.

These behaviors will lead to your being removed from the event and may lead to being banned from future events.
