VISION

A thriving athletic community centered on high-quality and achieving athletic programs. Comprised of student representatives, student-athletes representatives, coaches, administrators, parents and community members.

MISSION

Lakeland Athletic Boosters will work to encourage, enhance and support all interscholastic athletic programs at Lakeland High School and Middle School.

GUIDING PRINCIPLES

- Develop and sustain an organization with an active and involved membership that is concerned with the total athletic program and all of its participants.
- Enrich the student-athlete experience by actively working with the Lakeland Administration and Lakeland Athletic Department to help bring value-building athletic programs to as many students as possible through playing and through the association with a team.
- Foster school spirit and sportsmanship while organizing and strengthening the athletic community.
- Conduct all of the above in a manner consistent with corporation policies, and the Athletic Department's vision, mission, and philosophy.

STRATEGIES

- Allocate funds towards projects, programs and gifts that benefit as many athletes as possible.
- Raise funds to enable programs, media, events, recognition and gifts to the athletic department.
- Build awareness for the Lakeland Athletic Boosters and Lakeland athletes to increase membership, expand athletic participation and celebrate athletic achievements.
- Forge active relationships and engage in ongoing communication with coaches, parents, athletes, administrators and the community.
