

YOU'RE THE FUTURE OF OUR PROGRAM

We need you. Our goal is to develop a passion for girls basketball within the community from 1st-12th grade. We are one program and have one goal. Our players and coaches will invest in your daughters by setting an example in what it looks like to be a Lady Bear and how we are to carry ourselves on and off the court. Basketball is so much more than a sport and we hope to start this program with you.

MEET THE COACHES

Coach Megan Beidelman

Beidelman is a 2013 graduate of Olentangy High School and 2017 graduate of Mount Vernon Nazarene University. While at OHS and MVNU, she played both basketball and softball. Beidelman was a 1300 point scorer and averaged a double double throughout her career. She's the former Varsity Assistant at East Knox HS as well as the head JV coach.

"Olentangy Basketball has had a life changing impact on me. It is my goal now as a coach to create a culture that allows girls to have the same experience I did"

Coach Katie Raiff

With 10 years of Varsity and JV coaching experience at Olentangy High School, Coach Raiff will be a great asset to the Lady Bears Basketball Program. Not only did she have much success at the high school level, but her success in the AAU circuit has added to the high respect she receives in the basketball world. Coach Raiff's involvement in the community and high basketball IQ will be of great value to starting the traditions and building the future of Lady Bear Basketball.

Teneil Lilly is originally from Bucyrus, Ohio where she was a three time All-Ohioan for the Wynford Lady Royals. She continued her education at Indiana Wesleyan University, earning a bachelor's degree in Exercise Science, while accumulating an overall record of 122-20 and a 2013 National Championship.
