

2019-20 Basketball Season Tickets

We will offer Boys Basketball Season tickets for last year's season ticket holders, and Family Passes for the upcoming Girls Basketball home games, and Junior High Basketball passes through the mail. However, if you wish to purchase your tickets at school we will make them available at the dates listed below. NOTE: Parents of junior high players and cheerleaders are reminded that they do not need to purchase the Junior High Winter Pass. One will be issued to each family before the first game.

For those wishing to purchase your tickets through the mail, an order form is included in this newsletter that will allow you to purchase Adult and Student Boys tickets and Family Passes for Girls home games. We plan to sell tickets as follows.

Through the mail: We will begin to send tickets to those who order through the mail on November 4th. We will process mail orders through November 25th.

Family passes for Girls basketball will also be sold at the first game in addition to the times listed below.

At the High School (Library):

Saturday, November 9th 9:00 – 11:00AM (Booster Clothing Pick up)

Saturday, November 16th 9:00 – 11:00AM (Pizza Sales pick up)

Tuesday, November 19th 7 - 8:30 PM

Tuesday, November 26th 7 - 8:30 PM

Student Season Tickets will also be available during school hours the week of the first home game. These tickets can also be purchased thru our GOFAN site. The tickets will appear on the students phone using the app to gain entrance into the HOME games.

We would encourage season ticket holders to take advantage of ordering your tickets thru the mail, as it eliminates the necessity of standing in line and waiting. Fans who did not hold season tickets last year but wish to purchase seats this year, should refer to the enclosed chart that shows the seats that are currently available. These can be reserved on a first called, first sold basis by calling the school at 925-4597. Ask for Dan Koenig; if the seat is still available, it will be set aside in your name.

2019 - 2020 BASKETBALL ORDER FORM

NOTE: If you are renewing your seats, please fill in your seat location from last year. If you do not have the information, write "same seats", and we will send you the seats you always held.
