

HARPER CREEK HALL OF FAME

NOMINATION INFORMATION

The Harper Creek Athletic Hall of Fame Committee is accepting nominations. If interested, please complete and submit the nomination form to the Athletic Office, 12677 Beadle Lake Road, Battle Creek, MI 49014, or email to: greenmane@harpercreek.net

The Harper Creek Hall of Fame is open to all former Harper Creek male and female athletes and coaches. A qualified candidate must have graduated at least ten years ago and must have lettered in at least one or more sports. A coach is eligible for consideration at the discretion of the committee.

In order for the committee to seriously consider a nomination, a detailed and documented list of accomplishments needs to be provided with the completed nomination form. If possible, send news clippings, copies of programs, certificates, or any other documentation of awards and accomplishments.

While athletic accomplishments at Harper Creek are the primary consideration for induction to the Hall of Fame, college athletic accomplishments, character, and community service endeavors are also considered. Please be as detailed as possible to give your candidate the best chance for consideration, as the committee has limited information on the thousands of athletes that have passed through Harper Creek.

We hope you are as excited as we are about honoring the great athletes and coaches that we have had at Harper Creek.

Sincerely,

The Harper Creek Athletic Hall of Fame Committee
