

Hello Warrior Parents,

My name is Ken Moyer, and I am the Head Varsity Football Coach at Dayton Christian. The institutions that we have relied upon to help our young boys become men are slowly disappearing or are under attack. Our sports heroes, movie stars, and politicians often leave today's youth with a misguided definition of manhood. I truly believe that football is one of the few institutions left that will help develop our young boys into authentic, Godly young men. Our program's purpose is to build men of *empathy, integrity, and excellence*, who will live for a *purpose greater than themselves*, and make a *positive impact* on their community and their world!

We live out our passion for **Building Champions** and **Winning Championships** by teaching our "Way of the Warrior" virtues. These virtues teach that Godly Warriors Follow Jesus, Do What's Right, Love One Another, Battle Relentlessly, Protect the Weaker, Work Hard, Pursue Excellence, and Put the Team First. These character traits will help our young boys and girls develop into great athletes and even better men and women!

I know there have been questions about the leadership of our youth football programs. I want to assure you that I will personally be overseeing the entire DC Football program, from 1st through 12th grades! We will have a tackle football team for middle schoolers (grades 6-8) as well as flag football for younger grades. We will also provide fast break football opportunities during the spring!

While the football season is months away, I know that many organizations are beginning the signup process. Understanding this, I would like to invite you to an informational meeting on Monday, January 28th at 7:30pm in the DC Cafeteria (enter through the main entrance door) for any parents and children who are considering playing football next year.

We will discuss my vision for the football program as a whole. We will share information and discuss flag football options for 1-6th grades, middle school tackle football for 6th-8th graders, as well as field any questions you may have about the football program as a whole. The meeting shouldn't last more than an hour, so please join us! I hope to see you and your son on Monday!
