"I believe in rough, manly sports. But I do not believe in them if they degenerate into the sole end of any one's existence. I don't want you to sacrifice standing well in your studies to any over-athleticism; and I need not tell you that character counts for a great deal more than either intellect or body in winning success in life. Athletic proficiency is a mighty good servant, and like so many other good servants, a mighty bad master."

- Theodore Roosevelt, Former President

MEETING THE CHALLENGE HEAD-ON!

Our young athletes face challenges today that we didn't face just twenty years ago. It is increasingly difficult to find authentic models of what it means to be a man or a woman. Students are bombarded with images of masculinity and femininity from movie stars, musicians, politicians and sports heroes. All too often what they find leaves them without a clear vision for what it means to be a man or a woman and what it takes to become an adult who will be successful on the field of competition, and in life beyond the playing field. We believe that sports present a unique opportunity to develop young men and women, because the same character traits that make successful athletes also make successful men and women. God-centered sports offer a perfect greenhouse in which to grow and develop these qualities in our student-athletes, and we are committed to doing just that! Our athletic programs will invest our time and energy in *Building Champions* and *Winning Championships*, paying careful attention to developing the total athlete. Knowing that these athletes who have been entrusted to us are people, not just players, we will endeavor to help them grow spiritually, physically, mentally, and emotionally.

We will model for and instruct our students in the *Way Of The Warrior*, which is comprised of the twelve character traits that will make students successful athletes and successful adults!

The money raised by the Way Of The Warrior Golf Outing and Banquet will be used to teach the next generation of students to become strong men and women, using the invaluable crucible of sports. Specifically, proceeds will be used to reduce expenses for athletes to play, enabling anyone who desires to be a part of our program to take part regardless of their financial resources, to purchase equipment and gear for the players and coaches to keep them safe and to allow them to pursue excellence, and to put on our Way Of The Warrior program, where we challenge young students to live lives of authentic Godly womanhood and manhood.

Please join with us in raising up the next generation of Godly leaders. Thank you for your support!
