

The Rebecca Winslow Spirit Award

Presented by:

Dear Varsity Head Coach,

Rebecca Winslow, a Dayton Christian Women's Soccer player, was killed in a car accident on October 5, 2007. After that tragic event, a spirit award was established in her name and memory. This spirit award is presented every year to a senior student-athlete.

The information in this packet will explain the goal, criteria, nomination process, award selection, and the presentation at the senior awards banquet scheduled on May 11, 2021. This award is unique because **every varsity head coach must nominate one of their senior student-athletes for consideration of this award.** This award does not have an application process; this award is selected through coach nomination only.

A nomination form has been provided. **Each head coach is to complete the nomination form and return it to our Athletic Director by April 23, 2021.** The selection committee will select the award recipient, based on the criteria, and the award will be presented at the annual senior awards banquet scheduled on May 11.

**The criteria also includes community, school, and church involvement. Team and student-athletes that do mission work in these areas should include that involvement on the nomination form.

The Rebecca Winslow Spirit Award

Goal: To recognize one senior student-athlete who is a positive role model not only within their varsity sport but also within the school, their church, and the local community.

Criteria: The senior athlete must be coach nominated based on demonstrated principles of sportsmanship, positive attitude, academic integrity, Christ-like character, local church service, and community involvement.

Award Process: Every varsity head coach will nominate one senior student-athlete from their team who possesses these characteristics listed in the criteria category above. Nominations must be submitted to the Athletic Director by April 23.

Award Selection: The nominations will be reviewed by a selection committee. The committee will select one recipient.

Award Presentation: The recipient will receive a \$500 award during the senior awards ceremony in May. The recipient's name and year will be added to a wood plaque that will be displayed in the Warrior Center. The award will be presented by the Athletic Director, a representative of the Athletic Booster Club, and/or by the recipient's head coach.
