

Visiting Team Information

- Tecumseh athletic trainer will be present at all home events
 - Lindsay Ball, MS, AT, ATC
 - Lindsay.ball@ketteringhealth.org
- Visiting teams are expected to be taped/treated by their own AT prior to leaving for the event
 - If this is not possible, arrangements should be made >24 hours prior to the event
 - Visiting teams must provide their own tape/supplies
- Visiting teams are expected to provide their own water bottles or cups
 - A cooler of water will be provided by Tecumseh for soccer, volleyball, basketball, baseball, softball, and track*
 - ***Due to COVID-19 pandemic restrictions, a water cooler may not be available for visiting teams (Basketball = yes, all other sports = not at this time)**
- Ice, first aid/emergency care, and new injury evaluation will be available by the Tecumseh AT
 - Due to the Ohio Athletic Training Practice Act, AT's may not provide restorative treatments to *visiting* athletes (i.e. taping a newly sprained ankle in order to return-to-play) unless they operate under the same Standard Operating Procedure
